

Easy. Elegant. Ecological.

Since 1953, our palm supplier has been growing and harvesting authentic desert palms like those found in the Holy Land. Our palm supplier adheres to a high standard of environmental stewardship and social responsibility.

- A portion of our palm supplier's sales will be donated to 4 non-profit organizations benefiting environmental and humanitarian efforts in the U.S.
- In 2004, our palm supplier donated 322 acres of virgin native brush as wildlife habitat to the Texas Land Conservancy.
- Every year our palm supplier provides several hundred jobs to people in one of the lowest economic regions of the U.S.

We are here to make the ordering and delivery process as easy as possible! We are committed to your total satisfaction—from the time you place your palm order until your palms arrive at your door.
